

## **Safeguarding**

At Crea8ing Community, we are fully committed to ensuring the safety and well-being of our children. It is their right to be safe within our community and our duty to ensure this.

Safeguarding is managed in a number of ways. This includes ensuring good behaviour, safety on our sites, anti-bullying, e-safety, pupil voice and child protection policies.

As part of safeguarding work, we work in partnership with colleagues from other agencies. This includes colleagues from schools, social care, community police, children's centres, therapists, paediatricians and other agencies.

Safeguarding concerns can also be reported directly to the Care and Duty Team (CADT) at Wirral Social Care. Their telephone number is: 0151 606 2008.

We have a safeguarding team at Crea8ing Community who help to co-ordinate all our work. We meet regularly to ensure that our policy and practice is as good as we want it to be. Please contact us if you need any support or advice. We also have a nominated safeguarding governor.
